

A modern and innovative approach

By embracing a modern approach to club membership, Matlock Golf Club has made it feasible for a wider variety of golfer to enjoy the magnificent golf course which is set in the beautiful Derbyshire Dales.

Flexible Membership has been specifically designed to give an opportunity for the occasional golfer and those with precious little spare time to maintain club membership at one of Derbyshire's most picturesque golf clubs.

This is not pay and play, but an innovative method of being attached to a private members' golf club. It provides all the benefits of belonging to a longstanding golf club, with a modern approach to membership, at a justifiable cost.

It also gives the opportunity to transfer to Full or Mid-Week Membership, providing unlimited golf, subject to the payment of the joining fee in operation at the time of transfer.

Flexible Membership in Practice

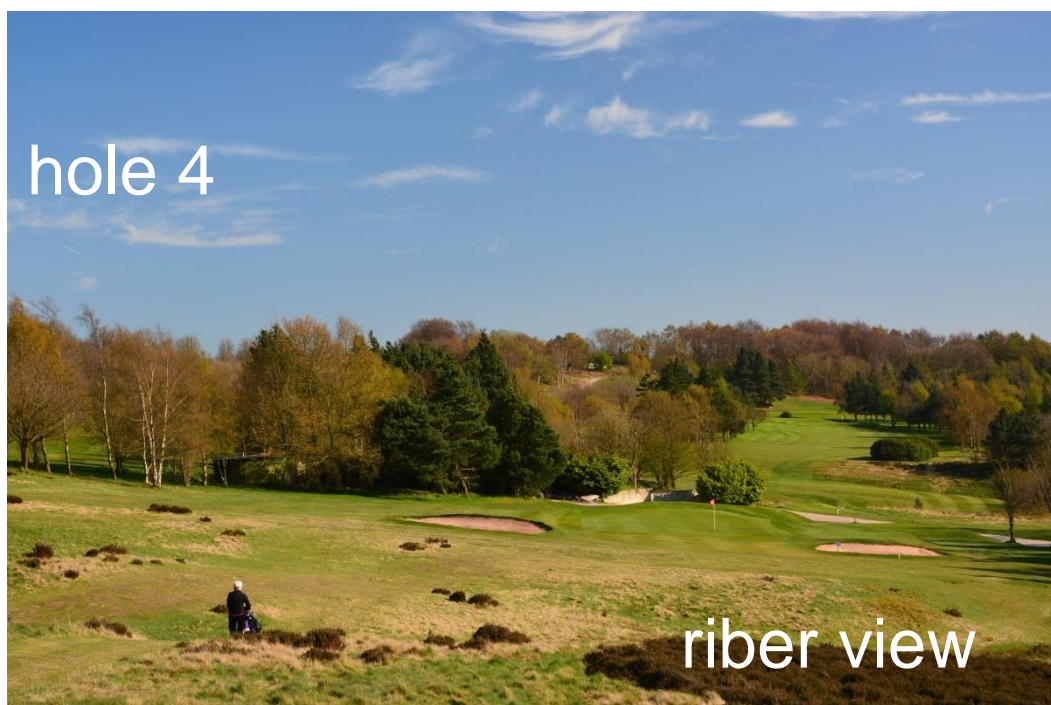

An annual fee of £349, inclusive of England and County Golf affiliation costs places 300 tokens on your membership profile. This includes a bar levy charge of £25 for all members.

Each time you play, the tokens used are deducted from your membership balance. If you find that that this does not provide you with enough rounds of golf, you can purchase once only in each year a further 150 top up tokens for £150. This will offer you the flexibility of playing extra rounds if required.

Tokens cannot be carried over from one year to another.

Flexible Members should report to the Professional before play so their membership token accounts can be balanced.

Look at the table overleaf to see how much golf can be played for 300 tokens, depending on times of day, week or season.

Flexible Membership Chart

Playing Period	Summer Tokens (1 st April to 31 st October)	Winter Tokens (1 st November to 31 st March)
Week-end/ Bank Holidays Competition Days Until 1400hrs summer, 1200hrs winter	30	22
After 1400hrs summer, 1200hrs winter	20	16
Mid-Week Excluding Competition Days Until 1400hrs summer, 1200hrs winter	24	20
After 1400hrs summer, 1200hrs winter	20	14

Flexible Membership Features

Flexible members are entitled to the same member benefits as full members with the exception of attending and voting at the general and special meetings of the golf club.

On taking out flexible membership, members will be given the Golf Club Handbook to help acquaint themselves with the rules and bye laws of the club

- Full use of the excellent facilities including, the Practice Ground, Driving Range, Bowling Green and Clubhouse
- The opportunity to be allocated an official CONGU handicap
- The ability to enter club competitions and to be considered for inter-club matches (excluding internal knock-out competitions)
- Eligibility to bring guests in line with the golf club guest policy
- Receive a County Card to allow discounted green fees at other participating golf clubs in the county scheme
- Receive 17.5% member bar discount when using the Golf Club Membership Card

The renewal of annual flexible membership will be on 1st March, as all other playing membership options.

Resignation or dismissal from the golf club will result in immediate forfeit of outstanding tokens.

The allocation of tokens may be reviewed by the Management Committee from time to time. They may also make reasonable changes to the rules and conditions of this scheme as appropriate.
